MUCH OF TODAY'S MEDICAL CARE depends on a steady supply of blood from healthy donors - there is no substitute for human blood - every 3 seconds someone needs blood – approximately 35,000 units of blood are used each day in the U.S. Decide to be a blood donor. Call Hoxworth Blood Center – 451-0910 – to make an appointment at any of the neighborhood blood donation centers.

LIFE – PASS IT ON! All major religions support organ, eye and tissue donation as an unselfish act of charity. Your condition at the time of death will determine what organs and tissue can be donated. There is no cost to the donor's family or estate for the donation, only for the medical expenses before death. Sign up to be an organ, eye and tissue donor at www.donatelifebio.org or at the Bureau of Motor Vehicles. Let your family know your wishes. **Be a hero, save a life.**
