

# *We Celebrate St. Margaret Mary 2018 through our parish ministries*

Once a year we reflect on and celebrate all the things that make St. Margaret Mary parish great. Some of the most important functions of the parish are carried out through our parish ministries.

Each of us is blessed with talents bestowed on us by our Heavenly Father. These gifts are meant to be shared with others. Below are some of the ministries you can lend your assistance to. The list is diverse and hopefully you will see a place where you can offer your talents.

**We invite you to check any Ministry in this list that you may be interested in and return this form to the Parish Office, or contact the listed representative for any group and they will provide information or answer any questions you have about their ministry.**
